Welcome to Signature Dining

BJCC and Andrew Cohen House would like to welcome our new catering company Signature Dining. We would also like to welcome our new Chef Manager Michael Hanlon, the rest of the kitchen team are familiar faces. Over the coming weeks we hope you will notice an improvement in the food served to our residents as this is such an important part of their wellbeing and the care we offer. Signature share our approach of helping our residents dine with dignity and we look forward to working with them.

Sharon

Sharon Grey, was shortlisted for the West Midlands heat of the Great British Care Awards. The results were announced at a gala dinner at the ICC and through a generous donation a team of staff filled a whole table. There was stiff competition and Sharon was a runner-up.

She has also just finished attending My Home Life programme. This is an international initiative that promotes quality of life and delivers positive change in care homes for older people.

We are very proud of her commitment and dedication to BJCC

Poppies

Many of our residents feel a personal connection to Remembrance Day so we make a special effort to honour this occasion. Rabbi led a memorial service and there were collection boxes in Reception and at Silverstone Court. Our kind visitors and staff enabled us to send a generous donation to the British Legion.

Golf

Mike Leek, John Ruck and Peter Berck volunteer giving golf lessons to disadvantaged and disabled children. They are also all long term supporters of BJCC.

They obtained some equipment for 'indoor golf' and came to ACH to give sitting golf lessons to our ladies and gentlemen. We would like to thank them and as they left the equipment this will become a regular part of our activities schedule.
