## Festival of Lights

Many people celebrate a Festival of Lights. After all in the middle of a cold, wet and miserable winter who wouldn't want

to brighten up the dark by spreading the glow of extra lights and candles. The Jewish Festival of Chanukah celebrates a miracle where once again the Jewish people survived persecution and so it is a festival of dedication and thanksgiving.

We extend a special thank you at this time of year to all our dedicated volunteers who give freely of their time to enrich the lives of our residents and community.

## Name Tapes

Have you ever wondered how residents' clothes get labelled? A lovely lady, Jenny Pinnick, provides this service to our Domestic Team. Jenny also supports the tenants at Silverstone Court in many ways. Another very well deserved thank you.

## RBSA gallery visit to Lunch Club

Artist and print maker Brendan explaining some of the techniques he uses to guests at a recent talk at the Lunch Club

## Diversity

Andrew Cohen House runs a very wide range of training courses for our staff. At one recent Equality, Diversity and Inclusion training session; colleagues managed to think of 9 different religions and belief systems between residents and staff. Andrew Cohen House is a Jewish Home with a very big heart!
