Romance at ACH

Some of our ladies (and gentlemen) being serenaded by Phil Sayers, followed by a special cream tea!

Congratulations

At a celebration event yesterday for Six Steps at St. Mary's Hospice, Jay Walker was given a special award for his work inspiring others in End of Life Care.

Murder Mystery

Brave guests crossed the crime scene tape and were in turns, intrigued, startled, scandalised, mystified and highly amused as the shocking facts of Fifi Flapper's murder were slowly revealed. Many thanks to our cast and helpers who helped us raise over £1000 for Birmingham Jewish Community Care and a great time was had by all, except of course poor Fifi. And whodunnit... revealed at the very end – it was Mrs. Beetroot with rat poison in the soup, “cross Mrs. B at yer peril!”

Magic Moment
